

Operation Homefront

Operation Homefront provides emergency assistance and morale to our troops, to the families they leave behind and to wounded warriors when they return home. A nonprofit 501(c)(3), Operation Homefront leads more than 4,500 volunteers in 30 chapters nationwide and has provided critical assistance to more than 45,000 military families in need. Operation Homefront also operates OH Online, an e-magazine and cyber gathering spot for military wives and women in uniform. Through this community, we reach the newest and youngest military families. It's how we provide them with information about our programs and resources to help them succeed in military life.

How We Help

- Emergency Aid — Provides food, baby care items, vehicle donation and repair.
- Computer Program — Allows children and spouses to stay in touch with their loved ones.
- Financial Assistance Program — Addresses crises such as illness, homelessness and death.
- Furniture Program — Donates household and baby furniture; working-order appliances.
- Moving — Provides physical labor for families when a service member is deployed.
- Social Outreach — Offers Adopt-a-family opportunities, Thanksgiving/holiday baskets, back-to-school supplies.
- Community — Rebuilds the challenged social network of the military community by bringing it to our online magazine where it is convenient to everyone, no matter the time or location.
